

## St. Paul's Boxing Academy CIO

### Safeguarding Adults Policy and Procedure

#### **Introduction**

This document is to be read in conjunction with England Boxing's 'Adults at Risk Policy' which has been adopted by St Paul's Boxing Academy CIO. We all have a responsibility to safeguard adults who are experiencing, or are at risk of, abuse and neglect.

This policy and procedures outlines what adult safeguarding is and what to do if you have a concern. The St Paul's Boxing Academy CIO safeguarding children and young people policy, for those under the age of 18, is covered in a separate document.

#### **Policy statement**

The Academy is committed to creating and maintaining a safe and positive environment for all people involved in the Academy. It accepts its responsibility to assist in the welfare of all people and to safeguard them from poor practice, abuse and bullying.

All individuals within the Academy - members/volunteers/coaches/support staff - have a role and responsibility to help ensure the safety and welfare of adults.

The Academy accepts that we are required to fulfil our duty of care, which means that we must do everything that can be reasonably expected of us to help safeguard and protect people from harm, and to act when we suspect that someone is being harmed, or is at risk of harm.

#### **What is adult safeguarding?**

The official definition of "Adult safeguarding" is working with adults with care and support needs to keep them safe from abuse or neglect. It is an important part of what many public services do, and a key responsibility of local authorities (Care Act 2014).

The safeguarding duties apply to an adult who:

- has needs for care and support (whether or not the local authority is meeting any of those needs)
- is experiencing, or is at risk of, abuse or neglect
- is unable to protect themselves from either the risk of, or the experience of, abuse or neglect, as a result of those care and support needs

Adults who fulfil these criteria are 'adults at risk'.

People can have a need for care and support for a variety of reasons – for example they may have a learning disability, a physical disability, a chronic health condition or have a mental health issue. Such conditions may bring with them additional vulnerabilities, however having care and support needs does not mean that people are automatically adults at risk and need safeguarding.

Safeguarding adults is underpinned by:

- The Care Act 2014
- Mental Capacity Act (MCA) 2005

Types of abuse suffered by adults identified in the Care Act 2014 are:

- Physical
- Sexual
- Psychological/Emotional/Mental
- Financial and material
- Neglect and act of omission
- Discriminatory
- Organisational
- Modern Slavery
- Domestic Violence
- Self-Neglect – including hoarding

Other types of harm that adults may experience include:

- Cyber Bullying
- Forced Marriage
- Female Genital Mutilation
- Hate Crime
- Radicalisation

### **Safe recruitment and safeguarding training**

We want to make sure that all of our coaches, volunteers and staff have the right skills and qualities to create a safe environment. All coaches, volunteers and staff will be subject to safe recruitment procedures and will also be updated with any relevant legislation, policies and procedural changes. Appropriate training will also be identified and offered, including safeguarding adults training.

### **Communication**

The Academy will make available its Safeguarding Adults Policy and Procedures to all members, coaches, volunteers and staff, and partner organisations.

### **What to do if you have concerns about an adult**

Academy members, coaches, volunteers and staff are not expected to be an expert in recognition of a safeguarding concern; however, all adults working, volunteering and participating have a duty of care to be vigilant and respond appropriately to suspicions of poor practice, abuse or bullying. They should also respond to any indication of abuse that may be occurring outside of the Academy setting.

This does not mean that it is your responsibility to decide if a situation is poor practice, abuse or bullying, but it is your responsibility to report your concerns to the Welfare Officer, Barrie May or Deputy Welfare Officer, Danielle Mays.
